

# BEAMLINE FOR SCHOOLS

**ARE YOU A HIGH SCHOOL STUDENT AND  
DREAM OF BECOMING A SCIENTIST?**

**THEN THIS IS FOR YOU:**

Design an original physics experiment for the chance to win a trip of about two weeks to CERN, Geneva, Switzerland or DESY, Hamburg, Germany, to work with scientists and carry out your experiment on a real accelerator beamline.

Additional prizes will be awarded to shortlisted teams.  
The competition is open to teams of high-school students from all around the world.
