

# BEAMLINE FOR SCHOOLS

## ARE YOU A HIGH SCHOOL STUDENT AND DREAM OF BECOMING A SCIENTIST?

—

**THEN THIS IS FOR YOU:**

Design a creative physics experiment for the chance to win a trip of about two weeks to DESY in Hamburg, Germany to work with scientists and carry out your experiment on a real accelerator beamline.

Additional prizes will be given to shortlisted teams.  
This science competition is open to teams of students from around the world.
